## Air Conditioners

Cool Only

Whirlpool takes comfort and caring to the next level. Our line of home comfort products keeps the climate inside your home just right - making the air comfortable, clean, and fresh. Whirlpool's through-the-wall air conditioners are compatible with standard wall sleeves and offer a permanent cooling solution for areas of your home that are not connected to a central cooling system, saving you the hassle of summer installation then winter storage season after season. Trust Whirlpool to help you care for your family and make your life easier.
